It is best to pre-register any horticulture that you THINK might be ready for exhibit at the end of February. There is still plenty of time to register. If that gorgeous camellia or your "Ice Follies" daffodil **might** be in bloom, send in a pre-registration form. Forms are available at meetings; at Hillcrest Hall; via e-mail; and included with this flyer.

Exhibit Cards: When you bring your horticulture for entry on Thursday, February 23, each of your specimens must have an exhibit card filled out and ready to attach to your exhibit. Cards are available at Hillcrest Hall or by contacting Phyllis Byrum. These cards may be filled out prior to arrival at the show or you may fill them out when you arrive. There will be a table set up especially for that purpose near the entry tables. If you need help with filling out exhibit cards contact Phyllis, 501-778-6373 or d-pbyrum@sbcglobal.net.
